## Success Stories Since 2010.

### Indian National Math Olympiad 2024

In 2024, only 78 students from all over India qualified in the Indian National Math Olympiad (INMO). 10 of them were from Cheenta

### Indian Statistical Institute (BStat - BMath) and Chennai Mathematical Institute (BSc. Math Entrance) 2023

In 2023, in the entrances of ISI and CMI, 13 students from Cheenta ranked in top 100 in the entire country.

### Indian Statistical Institute (M.Stat) and Indian Institute of Technology (IIT JAM Entrance) 2023

In 2023, in the entrances of ISI M.Stat and IIT JAM Stat, 34 students from Cheenta ranked within top 200 in the entire country.

### American Math Competition 10 and 12

In 2023, in the American Math Competitions, 11 students from Cheenta ranked globally.

### Research and Mentoring

In 2024, Cheenta students who participated in Research and Mentoring programs got fully funded PhD offers from leading universities in the United States. School students got admission offers from Ivy League schools such University of Pennsylvania.

## Outstanding Math Programs

Anushka is at MIT

Indian National Math  
Olympiad Awardee

Aryan is at Harvard

American Math  
Competition, in Top 1%

Arjun is IMO Medalist

Among top 6 in India

### Grades 1 to 6

Math Olympiad  
Foundation program

This program is for **Math Kangaroo**  
and **Australian Math Competition**  
and similar non-routine olympiads.

*3 levels.*

### Grades 7 and 8

Math Olympiad for  
Middle School program

This program is for **NMTC** Contest,  
**AMC 8** and similar Math  
Olympiads.

*2 levels.*

### Grades 9 - 12

Math Olympiad  
Advanced program

This program is for **IOQM** Contest,  
**AMC 10**, **AMC 12**, **RMO**, **INMO**  
and similar Math Olympiads.

*3 levels.*

### Grades 11 - 12

ISI - CMI Entrance  
Program

This program is for **ISI BStat -  
BMath Entrance** and **CMI  
Entrance.**

### College

College Mathematics  
Program

This program is for **TIFR  
Entrance**, **ISI M.Math** and **IIT  
JAM Math**

Among top 6 in India

## Non-Routine Physics Programs

Grades 5 - 7

Non-Routine Physics  
Foundation program

This program is experiment and problem solving based introduction to Physics. The core problem set is from **All Russia Physics Olympiad**

Grades 8 - 10

Physics Olympiad for  
Beginners program

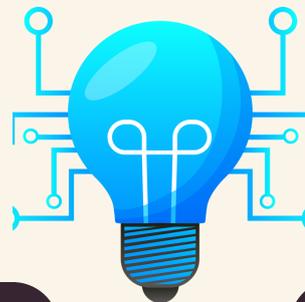

This program is for **NSEP, NSEJS** Contest, **F = Ma** and similar Physics Olympiads for students *who do not know calculus*.

Grades 11 - 12

Physics Olympiad  
Advanced program

This program is for **NSEP** Contest, **F = Ma**, **InPHO** and **IIT - JEE Advanced**.

## Non-Routine Computer Science

Grades 4 to 6

Computer Science  
Foundation Program

This program is based on **MIT** Media Lab's Scratch Program. It also incorporates elements of **algorithmic thinking**.

Grades 7 - 12

Informatics Olympiad  
Junior Program

This program is for **ZCO, ZIO** Contests and similar **Informatics Olympiads**.

Grades 7 - 12

Informatics Olympiad  
Advanced Program

This program is for **INOI** Contest, and similar competitive programming challenges.

## Research in School

Pure Mathematics (Algebraic Geometry, Geometric Group Theory), Artificial Intelligence and Machine Learning, Physics, Statistical Analysis, Mathematics Education

Grades 9 - 12

### Research Training Program

A 6-month research training program that is a pre-requisite for creating new projects

### Research Project Program

A 12-month research program that is aimed at science fairs, journal publications.

## Active Mentoring for Profile Building

The active mentoring program at Cheenta is useful for students who wish to pursue higher education at universities such as Harvard, MIT, and similar premier seats of learning. This may include some or all of the following steps.

#### Inward Exploration

A 3-month process to understand a student's areas of interests and expertise.

#### Olympiad Training

A multi-year tailored process of math, physics and informatics olympiad training.

#### Entrepreneurship

Business development assistance for students who are interested to build products and services.

#### Research Projects

A multi-year research training and research projects that leads upto science fairs and publication.

#### Internship

Unique internship opportunities to tailor the experience portfolio of a student.

## Statistics Programs

for College Students and  
Graduates

### ISI M.Stat & IIT JAM Stat Entrance Program

A 12-month outstanding program  
for the statistics entrances of **Indian  
Statistical Institute** and Indian  
Institute of Technology.

### CMI Data Science Entrance Program

A short course on **Chennai  
Mathematical Institute's** Data  
Science Programs.

## Research in University

for Universities

### Pure Mathematics (Geometric Group Theory)

#### Research Training Program

A 6-month research training  
program that is a pre-requisite for  
creating new projects

#### Research Project Program

A 12-month research program that  
is aimed at journal publications.
